FOR IMMEDIATE RELEASE  
August 28, 2007

## **SEWAGE SPILL AT U.S. NAVY SUBMARINE BASE** *Beach Closure at Kellogg Street Beach on San Diego Bay*

An estimated 600 gallon sewage spill occurred last evening on Catalina Boulevard in the United States Navy Submarine Base. The spill, which was caused by loose fittings on a sewer line, started at 7:30 PM and ended at 8:45 PM on Monday evening, August 27<sup>th</sup>. The sewage flowed into a storm drain that empties into San Diego Bay. Signs warning of contaminated water are being posted at a nearby public beach area located at Kellogg Street and Lawrence Street in Point Loma. Signs will remain in place until samples confirm the bay water is safe for recreational use.
